LÖWEN DART APP

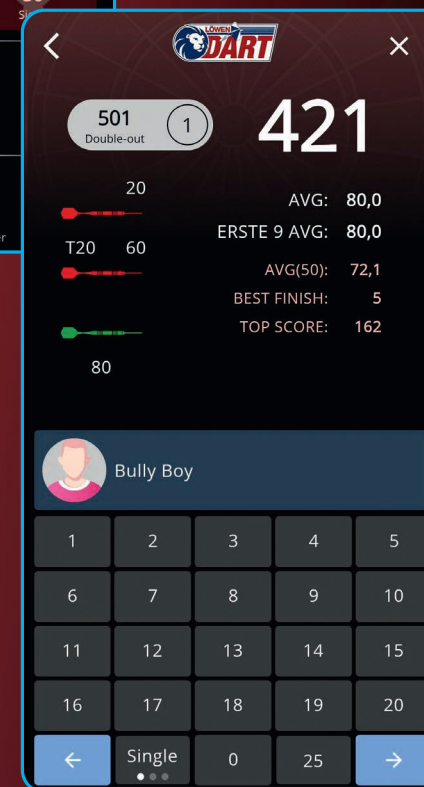

A UNIQUE GAMING EXPERIENCE

Even more entertainment

The new LÖWEN DART app is the perfect link between the LÖWEN DART HB10 and your smartphone. Individual features such as the display of game statistics and training successes offer darts fans a unique gaming experience. With the LÖWEN DART app, you become an even more integral member of the e-darts community.

Home page

New app feature: Scorer

Statistics

A wide range of statistics can be individually configured and filtered by time period to measure your own progress.

Game history

The game history offers an overview of the most recently played games, including information about the respective game partner.

Social Media

Successes and statistics can be shared directly on social media.

Home page

The home page displays the most important statistical data over time.

Scorer

Darts scorer for manual recording of points. Allows for the use of the LÖWEN DART app also on older LÖWEN DART devices.

Knowledge

Here, you will find all relevant information about the sport of darts. From playing instructions to a dart encyclopedia.
