

The image features two Löwen Dart machines, each with a digital scoreboard and a dartboard. The machines are branded with the Löwen Dart logo and have a red and blue color scheme. A smartphone in the foreground displays the Löwen Dart app interface, showing statistics and game history. In the background, a dartboard is visible with three darts hitting the bullseye.

LÖWEN DART APP

A UNIQUE GAMING EXPERIENCE

Even more entertainment

The LÖWEN DART app is the perfect link between the LÖWEN DART HB10 and your smart-phone. Individual features such as the display of game statistics and training successes offer darts fans a unique gaming experience. With the LÖWEN DART app, you become an even more integral member of the e-darts community.

Home page

Statistics

User Profile

In addition to usernames and avatars, you can now upload and display your own profile pictures on the HB10.

Home page

The home page displays the most important statistical data over time. In addition, up to six personal favorite statistics can be displayed.

Statistics

A wide range of statistics can be individually configured and filtered by time period to measure your own progress.

Game history

The game history offers an overview of the most recently played games, including information about the respective game partner.

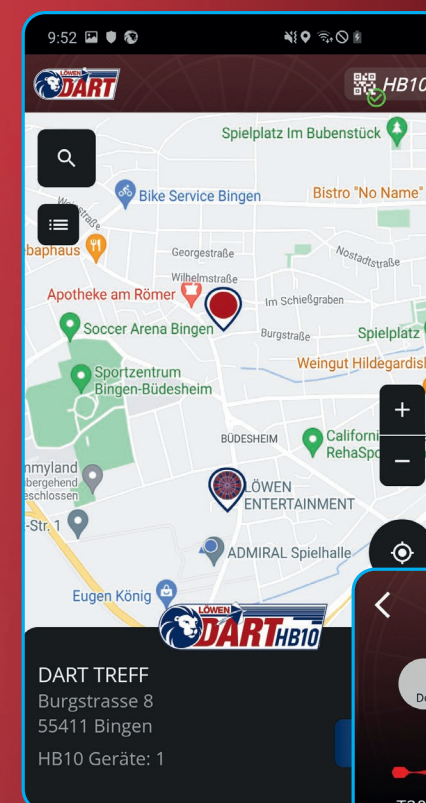

LÖWEN DART APP

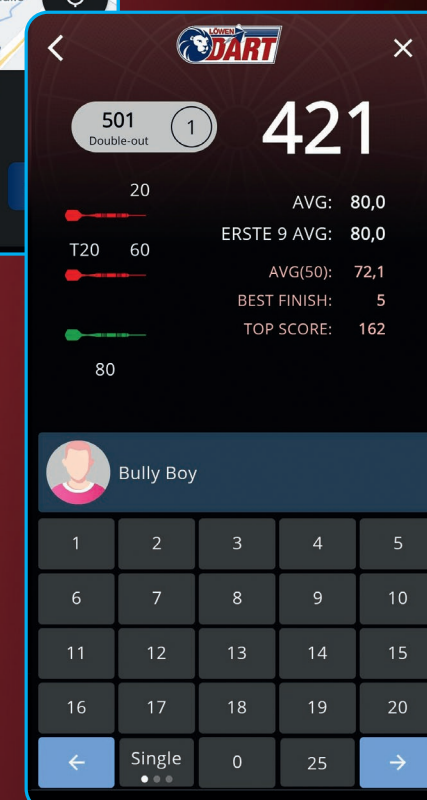

A UNIQUE GAMING EXPERIENCE

Even more chances

The special training stimulus provided by the LÖWEN DART App significantly increases the duration and frequency of play on the LÖWEN DART HB10. Features such as the HB10 Finder also have great potential to drive traffic to any venue.

HB10 Finder

Scorer

Social Media

Successes and statistics can be shared directly on social media.

HB10 Finder

App users can locate all HB10 locations on a map and navigate directly to them.

Scorer

Darts scorer for manual recording of points. Allows for the use of the LÖWEN DART app also on older LÖWEN DART devices.

Knowledge

Here, you will find all relevant information about the sport of darts. From playing instructions to a dart encyclopedia.

LÖWEN DART HB10

A UNIQUE GAMING EXPERIENCE

HB10 UPDATE AND LÖWEN DART APP

The LÖWEN DART App requires an internet connection on the LÖWEN DART HB10, which can be established using an external Wi-Fi stick (item no: Z916127). The LÖWEN DART app is the perfect link between a player's smartphone and the LÖWEN DART HB10. With its many features, it offers darts fans a new and unique gaming experience. Further information on the update can be found at www.loewen.de/dart.

Download the new
LÖWEN DART app now!

LÖWEN DART HB10

A UNIQUE GAMING EXPERIENCE

SET THE SCENE FOR YOUR LÖWEN DART HB10 TO SHINE

The textile backboard Dart (item no.: Z913057) is ideal for use with your LÖWEN DART HB10

- Printed on both sides with different designs
- Ideal for installing two HB10s side by side
- Easy assembly and disassembly
- Flame retardant display fabric (B1 certified)

Dimensions (W x H x D in cm): 295 x 238 x 40

Application examples

Suitable for any installation site

The monitor kit (item no.: Z916142) reduces the height of the LÖWEN DART HB10 from 2.36 m to 2.20 m.

A VESA mount allows the monitor to be placed next to the housing after removal. This means that the HB10 is also suitable for use in rooms with low ceiling heights.

For more information on the conversion, including instructions, please visit our website at www.loewen.de/dart.
